INTERNATIONAL FACILITY MANAGEMENT ASSOCIATION (IFMA)

IFMA™ Orlando
Chapter
International Facility Management Association

Laurie Gilmer is Vice President and COO at Facility Engineering Associates. Laurie's primary areas of expertise include facility systems assessments, energy management, sustainability, and facility management organizational analyses. Laurie is a published author, regularly contributing to multiple Facility Management publications and co-authored the International Facility Management Association's (IFMA) second manual in the Sustainability "How-To-Guide" Series, EPA's ENERGY STAR Portfolio Manager. Laurie is currently serving a term on IFMA's Board of Directors. Laurie also serves on the Northwest Energy Efficiency Council's Building Operator Certification program advisory committee, and was the committee's first chair. Laurie is a member of the National Visiting Committee of Building Efficiency for a Sustainable Tomorrow (BEST) Center. Additionally Laurie is an instructor for IFMA's Sustainability Facility Management (SFP) and Facility Management Professional (FMP) programs. She is also the past chair of IFMA's Sustainability Facility Credential scheme committee.
