INTERNATIONAL FACILITY MANAGEMENT ASSOCIATION (IFMA)

KEVIN DUPREE, CFM

Kevin is an experienced Certified Facilities Manager (CFM) with more than 15 years' experience of leading a team of facilities associates. Kevin has also held Engineering and Technology positions at Lockheed Martin, nStor Technologies, Siemens Westinghouse and Ford Motor Company. Kevin began working at Walt Disney World in 2001 as a part-time seasonal employee. To his surprise, Kevin learned that Disney offered positions in the Engineering field. He began to network with fellow cast members and management and was eventually invited to apply for an open Engineering Manager spot at Magic Kingdom. Kevin spent 7 years at the Magic Kingdom Park and then transferred to Wilderness Lodge Region, Fort Wilderness Campground and the Contemporary Hotel where he has been for the last 8 years. Kevin retired from Disney in July 2017 and has since accepted a position as a consultant Project Manager for ecoPreserve where he is providing his expertise to assist with assessing the Facilities Operation processes and soon to build a Facilities Operations Manual designed to help with Strategic and Tactical planning.
